REMEMBER FOR LAST DAY OF SCHOOL

School will finish at 2:10pm Friday 8th July

Please be sure to have your children picked up at this time.
As a reminder school will recommence at 8:50am on Monday 25th July 2016.
Have a happy and safe holiday.

---

A Message from Donna

It is hard to believe this is the last newsletter for the term. I hope everyone is staying warm and dry in this weather.

As the term comes to an end we reflect on how the term has gone. Some whole school highlights for me have been:

- SAPSASA soccer carnival
- Celebrating Culture: Reconciliation, National Sorry Day and Iftar
- Student Teachers
- SAPSASA Cross Country

It has been a busy learning term and it is wonderful to celebrate with students when they are proud of their learning. Students have been proud of their reading level increasing, inquiry projects, class party maths projects and brain breaks to support concentration. I would like to thank all of our wonderful teachers and SSO’s for hard work in supporting teaching and learning for all students. I wish them all a wonderful, well deserved break.

I would also like to wish our hard working students a wonderful holiday. For those of you who are Children’s University students I hope you enjoy your learning over the holidays and have an opportunity to share it with your family.

Please stay safe and we will see you all again next term.

Donna
Principal

Be brave  Care for myself and others  Speaking kindly  Do the right thing
Hello Everyone

End of term 2 already. Time to enjoy a holiday break with your children.

Students are able to borrow Library books for the holidays, most are taking the maximum amount they are able to borrow. Please help by ensuring they care for their books and return them after the holidays.

If you find anything with a Northfield Primary School barcode on it please return it to school next term. If your child is changing schools, our library books can be given to the new school to be sent back to us.

Thank you

Enjoy the holiday!

Bye for now

Jan Hegarty
Canteen News
Thankyou to those who supported the baked potato day.
Happy holidays.
See you in Term 3.
Susan

July School Holiday Netball Clinics
Taught and Bowled is offering a range of netball clinics for children aged 5-15 years in the July School holidays. All sessions will be run indoors at the St Peter’s Girls’ School gym and delivered by accredited, qualified coaches. We are offering programs covering the following areas:

- Set Plays, Screens and Court Structures Session (suitable for girls aged 9-13 of all abilities)
- Advanced Skills Session (suitable for girls aged 10-15, who have a minimum of 2 years playing experience)
- NetSetGo/Beginners clinic (suitable for girls aged 5-8 of all abilities and experiences)

Places are limited, so register early to avoid missing out!

For further information or to register for the program please go to www.taughtandbowled.com.au or contact Alice at alice@taughtandbowled.com.au

MUSIC, SPORT & RECREATION, STEM (Science, Technology, Engineering, Maths) and Hospitality learning areas
Year 2 Science

This term the Year 2’s in Room 18 and 19 have been researching the Life Cycles of different animals. Students were asked to practice their research skills and find out the Life Cycle and other interesting information about their chosen animal using iPad’s. They made clay models and gave a one minute presentation to their peers.

Well done Year 2’s.
