Sports Day

Congratulations to the Yellow team. What a terrific day! From what I saw, the majority of students seemed to be enjoying themselves and I hope you all had an enjoyable day as well. One of the things I enjoy most about the day, is seeing the whole school community come together in a really positive way and although there is competition, everybody is helping each other out or cheering each other on. Thanks to all of you for making the day so successful.

Congratulations to the victorious staff relay team – I’m pretty sure that's the quickest team (although we missed the speed of Mr. Scaife) we've ever had; however I think some strength work is in order given our poor showing in the tug-of-war the last couple of years.

Sarah Carver
Congratulations Ms Jarman

Over the Adelaide Cup long weekend, I competed in the Victor Harbor Triathlon. This was a very important race in my season as it was a Qualifying race for the age group World Championships which is being held in Mexico later in the year. After a long and painful hour and a half of swimming, riding and running I won my age group and qualified for the team. Although I will not be making the trip, this has been a great achievement for me and I will be spending the winter training hard so I can race at a higher level next season. Some people often ask why I compete in such a physical sport, but I love the discipline of getting up early, the friendship’s I have made and supporting young juniors in the growing sport.

Naplan Testing - Week 2 of Term 2

Our Year 3, 5 and 7 students will be sitting the NAPLAN tests during week two of next term. Teachers will be taking the students through some practice tests and procedures so that they are confident when sitting the tests. Please see your child’s classroom teacher if you have any concerns about the test.

Keeping our School safe during the Holidays – School Programs

A reminder that we welcome students playing on the oval during the holidays but strongly suggest they keep away from school buildings as there are holiday programs still operating and some staff still working during the holidays.

Please help us to keep our school safe and free from vandalism by calling 131444 Police Assistance if you notice anyone behaving suspiciously or illegally. No one should be on the school site outside of daylight hours.

Student Teachers

Our school is one of the leading primary schools that work with UNISA in the development of student teachers (Early Career teachers). It has been a highly successful program with a number of high quality university students gaining employment at Northfield and many other schools. Next term we begin our work with a new group of Early Career teachers who provide extra skills and knowledge that benefit our students.

ANZAC Day

In the HASS – History and Social Sciences – curriculum, our students are learning about the significance of ANZAC Day. ANZAC Day, Monday April 25th, is a day of remembrance of those Australian and New Zealand Army Corps soldiers who fought and died at Gallipoli in 1915. They became known as The ANZACS.

To support our students’ learning about the traditions and symbols of ANZAC Day, we have borrowed a Memorial Box from the South Australian Museum. This box contains real and replica uniforms, equipment and artefacts such as medals and awards which will serve as discussion and investigation starters to promote student learning.

Fish nuggets + Chips
or
Chicken nuggets + Chips
or
Vegie nuggets + Chips
$5
Add
Fruit box for $1.50
Orders at canteen by 11am

Library News
It’s almost time for term holidays again and I would love students to borrow books to read over the holidays.
Please remind your child/children to make sure there are no overdue books out under their name.
Our rule is, no borrowing if you have overdues and I am trying to stick to this in an effort to teach students responsibility for their actions and to follow our peace code, Care for yourself and others.
I hope you enjoy the holidays, stay safe!
Thank you
Bye for now!
Jan Hegarty

Lost Property
Please check the lost property box located in the Admin building for any articles of clothing/lunchboxes your child may have lost.
