- Orienteering Teams Relay Championships

#### **Thursday, 12nd September**

- Ingle Farm Library Excursion - Room 18

#### **Friday, 13th September**

- Pupil Free Day - School and Preschool

### Acting Principal's Message

As we come to the end of another successful term, I am thrilled to reflect on the many achievements our students have reached. Due to the ongoing dedication of our staff, our students have shown remarkable perseverance and commitment to their learning.

This week we once again were privileged to attend another inspiring assembly, focused on 'Do the Right Thing.' We congratulate all Peace Code recipients and recognise them as peace leaders within our school. Thank you to Room 12 and 7 for organising assembly and to the Peace Leaders for ensuring it once again ran smoothly.

One area where our students have excelled is in SAPSASA Sports. It's been fantastic to see our students participate and represent our school with pride. Working alongside Roma Mitchell High School to develop their skills and strategies in Volleyball has also been an incredible opportunity. It's wonderful to see our students learn valuable lessons about teamwork, discipline, and resilience through these experiences.

All educators have also worked tirelessly to provide a wide range of learning opportunities for our students. From one-on-one support sessions to small and whole group activities, they have gone above and beyond to ensure all students feel seen and heard.

In terms of Professional Development, we've focused on "Moderation" this term. This has enabled our teachers to refine their understanding of student learning outcomes and develop strategies to provide the best possible education for our students. On our Pupil Free Day, teachers used this valuable time to focus on Learning English: Achievement and Proficiency (LEAP) Levels - Moderation. Teachers worked together to set goals, targets, and develop strategies for improving student outcomes.

### Kids Helpline

Kids Helpline is Australia's only free (even from a mobile), confidential 24/7 online and phone counselling service for young people aged 5 to 25.

If you need to speak to a counsellor, call **1800 55 1800**, 24 hours a day, 7 days a week.

<https://kidshelpline.com.au>

This collaborative approach will undoubtedly benefit our students as they continue to grow and learn. Our Pupil Free Day also gave SSOs the opportunity to refine their skills in Phonics and Spelling and revisit their understanding of student Wellbeing and Behaviour.

This term we sadly farewell Mrs Rossi, Ms Leah and Mr Skinner, we wish them all the very best with their next exciting journey. In Term 3, Donna Beaney will continue to take leave, I will continue in the Acting Principal role, Kieran Moors will continue as Assistant Principal. We welcome Christian Kotz into Room 13 on Monday - Wednesday, Bryan Ly as Digital Technologies Teacher Tuesday - Thursday and Tracy Carlisle-Smith as part of our year 1/2 Professional Learning Team. Emma-lee Spangler joined our staff in Term 2 and will officially begin her role as Reception Teacher in Room 22 from Term 3.

A reminder that, if students are not collected from their classroom by 3:15pm, class teachers will walk students out to Hard Play area where the yard duty teacher will stay with them until 3:30pm. At 3:30pm if students are not collected by parents/caregivers they are brought to the front office.

As we head into the upcoming break, I want to express my gratitude to our teachers, SSOs, parents, carers and most importantly, our students. Through the Semester 1 reports and parent/teacher interviews, it is evident hard work and dedication have made this term a success. I'm proud of the way we've come together as a community to support one another and strive for excellence.

We look forward to seeing you all back in Term 3, ready to tackle new challenges and continue growing as a community. As always, if you require support or clarity do not hesitate to reach out to your child's teacher or the leadership team - we are here to support you.

*Lucy Zadoyanchuk*  
*Acting Principal*

## Playing on Kurna Land Day

Northfield Primary School is located on Kurna Land. The Reception classes have been learning about the importance of Country to First Nations Australians and the Country on which our school is located. Their learning has included noticing what is on Kurna Land, exploring how they can care for Country, and appreciating the sky, land and water. The students wore rain jackets and gum boots to enjoy a day playing together on Kurna Land. It was lots of fun!

*Kelly Bria*  
*Reception Teacher*

## PCW News

Thanks to all the families, children and staff who supported the Casual Day fundraiser on Thursday. We have raised over \$280, which is a great start to our freezer fundraiser. Another fundraiser will be held next term.

Thank you.

*Nick Dodd*  
*Pastoral Care Worker*

## Assembly Awards

Congratulations to Deakyn and Aayden for receiving a Kiwaani Terrific Kids award. Keep up the great work!

Well done Riley and Armaghan for receiving our Peace Values award in the yard during playtime. Keep up the wonderful work!

Thank you to the families who attended our last assembly for the term. Well done to Room 7 and 12 for doing a wonderful job in hosting our 'Do The Right Thing' Assembly. Congratulations to all the students who received a Peace Award.

## Business & Economics

We are excited to share the incredible creativity of our Year 5 students who have been busy crafting their own Australian-themed banknote designs as part of their Business & Economics units. These talented students have impressed us all with their imaginative portrayals of iconic figures. Learning about business and entrepreneurship has been fun; the students are very excited to have had a successful "Market Day" where products were made by our students.

- The Fred Hollows Foundation - Celebrating the legacy of the legendary ophthalmologist who restored sight to countless individuals worldwide.
- Sam Kerr - Honouring the achievements of the soccer superstar inspiring future athletes.
- Ash Barty Official - Showcasing the resilience and skill of Australia's tennis champion.
- Cathy Freeman - Recognizing the lightning-fast Olympic sprinter and her inspiring achievements.
- Steve Irwin, The Legend Lives On - Commemorating the enduring legacy of the Crocodile Hunter and his dedication to wildlife conservation.

Check out the RBA social media to see and like the posts.

## School Safety

Learn about road rules and safety tips to keep children safe around schools.

Before and after school drop offs are a busy time on the roads with many children walking, riding and using public transport to get to school, Young children are particularly vulnerable and so we all need to remain alert and take precautions around schools.

Here are some tips on the road rules that apply if you are heading to school or driving near schools.

### 25km/h Around Schools

25km/h speed limits apply within school zones, at children's crossings when the lights are flashing and when passing a school bus that has stopped to pick up or drop off children. School zones are signed and zigzag lines are marked on the road where practicable, to indicate that you are approaching a school zone.

Get more information on the [Speed Limits web page](#).
