- Last Day of Term - 2:10pm Early Finish

Friday, 15th April

- Public Holiday (Good Friday)

NOTE

Due to covid19 restrictions parents will not be able to attend events, unless advised otherwise

PRINCIPAL'S MESSAGE

Dear Families,

Week 5 has been a challenging one. We have had 9 staff members who have been away due to COVID or being a COVID close contact. All staff are staying home if they have any symptoms to ensure our students and families stay safe. We have not been able to cover all classes with relief staff.

All of our specialist teachers have taken classes and students have stayed in their class for specialist subjects. This has meant that teachers have had to cover more yard duties and not have any time to meet, plan and analyse student data.

Our SSOs have also taken on more yard duties and have been moved around the school to support where it is required.

I have never worked with such a dedicated, selfless group of professionals. I cannot commend our staff enough for their professionalism, flexibility and compassion. Our students come first in all of our decisions and I would like to thank them for what has been an extremely challenging week.

Our students have been understanding and very resilient. I have seen children help each other and continue to focus on their work throughout the significant disruptions. Our children have shown concern for our staff and I want to reassure everyone that all of our staff are taking care of themselves and will be back as soon as they can. Staff are in constant contact with me and they all miss us and can't wait to be back.

Finally, I would like to thank families for your understanding this week. Thank you for keeping your children home when they are unwell and keeping us informed when your family has been effected by COVID. This communication helps to keep us all safe.

Donna Beaney
Principal

NO HAT NO PLAY

This term students are required to wear a hat while outside at all times. Hats are available in the uniform shop at a cost of \$11.00 each.

The uniform shop is open on:

Wednesday 8:30am - 9am

Thursday 8:30am - 9am

Friday 8:30am - 9am

Remember
your hat!

LOST PROPERTY

The lost property box can be found out the front of the uniform shop. Please check the lost property regularly.

It is the responsibility of the children and parents to look for their own lost property.

**PLEASE ENSURE ALL
CHILDRENS ITEMS HAVE THEIR
NAME ON IT**

Any items left in the lost property box at the end of term will be sorted by name and be available for pick up. Items with NO NAME will be disposed of.

Principal Message (Continue)

I would like to share some work our students have been doing throughout week 5.

Room 14

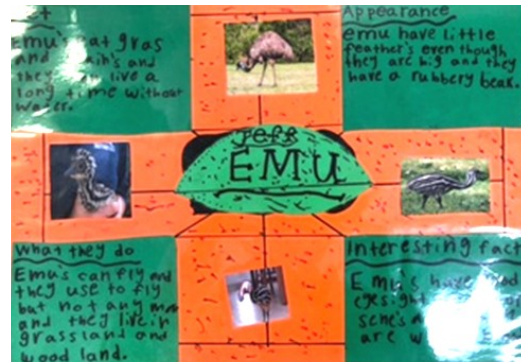

Olive and Marziyah: Constructing the longest line they could.

Zayyan: Building his name!

Room 15

Students watched a video about emus and practiced writing down key words. They then transformed the key words into full sentences

and made projects. They had fun creating emu drawings and texts and pencils for art to tie in with our emu project.

Chelsea, Lilly and Jeff's Work

Breakfast Club

Hi Northfield families.

Northfield Primary School Breakfast Club is open every school day from 8:30am until 8:50am.

If your mornings are a little busy (as school mornings quite often are) and your children are arriving at school hungry, then please send them along to Breakfast Club at the school canteen (next to the Gymnasium).

We have toast, cereal, milk and fruit available every day, with most of our breakfast items being supplied by KickStart For Kids. You might even be lucky enough to find a cheese toasty.

Tuesdays are our Mega Special breakfast morning. Lumination, a corporate sponsor for KickStart, help us out by supplying extra helpers and extra yummy treats, such as scrambled eggs, cheese and ham rolls and occasionally donuts!

Thank you to all our amazing volunteer helpers for serving breakfast every day.

If you want to know more about Breakfast Club, or if you are able to donate any items such as jam, margarine or vegemite please let me know.

Thanks.

Nick Dodd

Pastoral Care Worker

Tailored Developmental Therapies

The Philippines are grateful for our old teachers resources that we donated in January to help these children who have no school due to a typhoon last year.

EINSTEIN KIDZ ABACUS

Learn Abacus from an expert.
Age group: 5-12 years

Benefits of Abacus Learning:

- Quick calculations.
- Enhances visualization and imagination.
- Memory strengthening.
- Amplify speed and accuracy.
- Boosts creativity.
- Increases self-confidence.
- Strong academic foundation.
